FORKLIFT OPERATOR - 1st SHIFT

Lincolnshire, IL, US

Full Time

POSITION PURPOSE: The prime function of this position is to provide support to the supply chain through collecting, loading, shipping and receiving warehouse products.

ACCOUNTABILITIES: The successful candidate will be responsible for operating technical equipment, optimizing loading for efficient logistics and supporting other warehouse functions to ensure optimal operation of the business. Flexibility with scheduled work days and shift preference is required (this position is for 1st shift, 7 am to 3:30 pm).

Primary Accountabilities:

- Operating forklift or other hand truck.
- Performing receiving functions.
- Using wireless RF scanning equipment to ensure accuracy of inventory.
- Adhering to quality and customer service standards set forth by the company.
- Performing cycle counts as required.
- Picking, wrapping and staging orders to be shipped.
- Inspecting forklifts and other material handling equipment.
- Identifying safety hazards in the workplace.
- Consolidating partial pallets for incoming goods.

Physical Requirements:

- Stand/Walk - Possess the ability to stand and walk on feet all day while being in constant motion.
- Lift - Possess the physical strength and ability to lift totes and cases weighing up to 50 lbs. without risk of injury to self or others.
- Reach - Be able to reach totes or cases from conveyor system.
- Push - Possess the strength to safely push carts of totes or cases without risk of injury to self or others.

EDUCATION/EXPERIENCE:

Minimum educational background of high school diploma/GED is required. A qualified applicant will have working knowledge of Warehouse processes and Warehouse Management systems. 2+ years’ experience operating powered forklifts. Knowledge of various material-handling equipment is desired.
