

**What you'll do:**

- Remove snow using a shovel or snow blower for several hours at a time, depending on the amount of snowfall
- Must be available each time it snows, and report either to a central location or directly to the jobsite
- Place removed snow in appropriate locations, avoiding piling it on trees, shrubs, fire hydrants or sidewalks
- Check with your immediate Supervisor prior to going home in the event that help is needed elsewhere
- Report any concerns to your direct Supervisor
- Maintain a good attendance record, arriving as promptly as possible each time you are called for snow removal duties
- Fill out a job sheet/time card as soon as you are finished working after each snow removal operation
- If you can't answer a customer's question about our snow removal processes, find the on-site Supervisor to answer their question
- Be available and arrive on time each time it snows
- Communicate effectively with your Supervisor and coworkers to ensure maximum efficiency
- Participate in maintaining a safe and secure work environment for employees and customers by adhering to company safety policies
- Be aware of safety issues or concerns, and report them to the appropriate Supervisor
- Perform other tasks as assigned by supervisor/manager
